

## Slawomir Krupa

**Chief Executive Officer**

Slawomir Krupa is Societe Generale Chief Executive Officer and member of the Board of Directors, having been appointed 23 May 2023.

Slawomir Krupa has over 26 years of experience in the international financial sector.

He joined the Societe Generale group in 1996 and began his career as an inspector at the General Inspection. In 1999, he left the Group to found and manage an e-finance start-up in eastern Europe. He returned to the Group in 2002 in the General Inspection department where he was made a member of its management team in 2005. During his time at the General Inspection, he acquired an extensive and in-depth knowledge of the operations and challenges of financial institutions around the world.

In 2007, he joined the Corporate and Investment Banking division, where he took on successive responsibilities that enabled him to broaden further his expertise and his knowledge of the bank's businesses, serving its large international clients. In 2007, he was Director of Strategy and Development, head of Central and Eastern Europe, Middle-East and Africa (CEEMEA) in 2009, and Deputy Director of Financing in 2012, supervising in particular the primary markets business, securitisation and leveraged financing, while maintaining his regional responsibilities, which were extended in 2013 to include Private Banking, Asset Management, and Securities.

Appointed CEO of SG Americas in January 2016, he oversaw the turnaround of the Americas platform, both in terms of business performance and risk management, in a challenging regulatory environment.

In January 2021, he joined the Group's Executive Management team as Head of Global Banking and Investor Solutions. He strengthened the division by defining for its businesses a profitable and sustainable growth strategy, which he oversaw for 18 months. In doing so, he restored the trust of the stakeholders of this core business through an effective program of risk reduction, cost control, and diversification of the business portfolio to seize development opportunities. He has also initiated an in-depth transformation of the business lines towards a sustainable growth model "ESG by Design".

Slawomir Krupa, 48, is a Franco-Polish citizen and a graduate of the Institut d'Études Politiques de Paris.
